## Backyard Discovery Spring Cottage Kids Wooden Cubby House

The spacious Spring Cottage playhouse by Backyard Discovery will set your backyard apart from all others. The beautiful colors and contemporary curved roof design will surely turn a head or two. Your children will enjoy the outdoors by skipping through the garden gate on their way around the back to sit at the snack window and prepare feasts in the fully-stocked kitchen for all your neighbors.

## Endless Hours of Fun!

The spacious Cottage is beautifully designed with contemporary colours featuring lots of activities and interactions to keep your little one entertained.

## Serving Table

Get creative as your little one explores through imaginative play with the side serving table. Cater to guests, turn their cubby into a Café or an Ice Cream Truck.

## Cook Up a Storm!

The Spring Cottage allows for your little chef to cook up a storm in the Deluxe play kitchen with sink, stove and cutting board. Your chef can create amazing meals and serve up a fruit platter after.

The Spring Cottage has all the little features to create a 'homey' experience for your little ones. Let their best friends know they've arrived by pressing the doorbell, write notes to each other in the mailbox with the flag up, talk on the phone, write down recipes on the chalkboard, turn the porch light on at night, skip through the garden gate and plant their own flowers in the flower box.

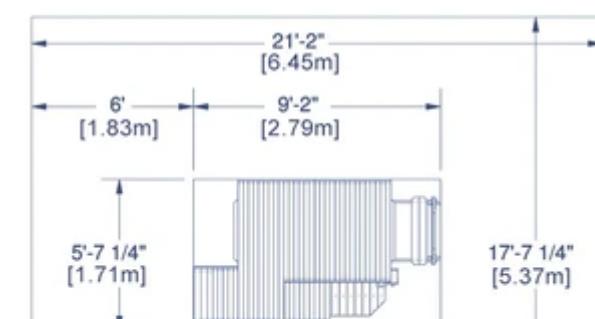

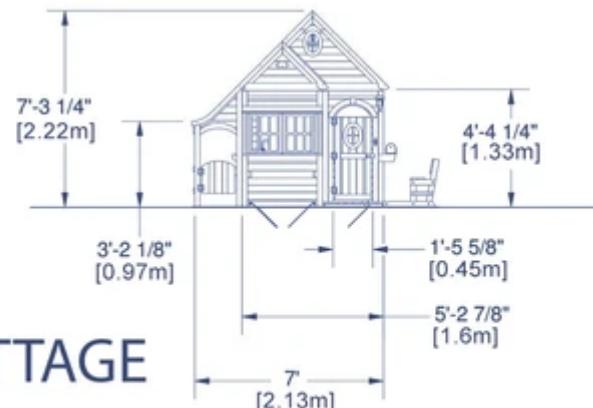

## 100% Cedar Construction

Using High Quality Durable Cedar wood, this cubby house is built to last in the harsh Aussie climate.

### Cedar is a great outdoor timber material:

- » Natural Resistance to water, decay and bugs
- » Graceful aging (weathers into a nice gray or silver shade)
- » Strong and stable with a long life span.

### Quality not as good as expected

Found the quality not as good as I expected for the price. Things not lining up, wonky and not quite fitting meaning my husband has had to cut some pieces to fit.

My son does love it though! And it does look like the pictures.

Hi Sarah, we appreciate your feedback on Spring Cottage Cubby House. We always strive to provide our customers great service and products. We're glad to hear that your son loves it and I will still pass this feedback to my manager. Many thanks, Aby
